Trump is the true defender of women?

The Daily Beast recently reminded us of a 2001 episode of "The Howard Stern Show" in which Trump and then-New York Daily News gossip columnist A.J. Benza argued over whether or not Trump stole Benza's girlfriend.

The argument was over model **Kara Young**.

Trump told Benza: "**I've been successful with your girlfriend**, I can tell you that."

Benza said of Trump: "This guy bangs Russian people.

"He used to call me when I was a columnist and say **'I was just in Russia, the girls have no morals, you gotta get out there.'"**

Trump said: "A.J., any girl you have I can take from you if I want ...You're full of shit."

Donald Trump wrote of the marriage of Elton John and David Furnish: **"I know both of them and they get along wonderfully. It's a marriage that's going to work."**

A woman has accused Donald Trump and his associates of using the American Dream Festival as a vehicle for seeking sex from women.

She alleged, Trump asked that she "provide Trump with access to a 17-year-old Czech contestant whom he described as a 'sex object'".

Sexual assault allegations against Trump

Donald Trump has had a business partner, Tevfik Arif, who was prosecuted for trafficking underage girls.

The prosecution came after a helicopter raid on a yacht off the Turkish coast.

In 2010, Tevfik Arif was charged in Turkey for smuggling underage girls into the country for prostitution.

Arif was arrested aboard the *Savarona*, the largest luxury yacht in the world, and charged with "encouraging" and "facilitating" prostitution.

Turkish military police conducted the helicopter raid on the Savarona.

Nine Russian and Ukrainian girls were detained and then deported.

Two were reportedly 16 years old and had come to Turkey at Arif's behest.

Naked men, some of whom were top government officials as well as Russian, Israeli, Kazakhstan, and Turkish executives, were busted in suites strewn with used and unused condoms.

There are many links between the mafia and Donald Trump's Empire.

Engin Yesil was sentenced to a six-year prison term on cocaine charges in the U.S.

Raoul Goldberger was sentenced to 46 months in prison on cocaine charges.

Jill Harth, who claimed that Trump tried to rape her.

In 1997, Jill Harth, who runs a beauty company, filed a lawsuit claiming that, in 1993, Donald Trump tried to rape her and tried to turn her into his 'sex slave'.

The $125 Million Donald Trump Sexual Assault Lawsuit.

Her lawsuit claimed that, in 1992 and 1993, Trump repeatedly sexually assaulted her - touching her 'intimate parts' and 'forcibly kissing and fondling'.

She says that assaults took place in Ivanka Trump's bedroom in Mar-a-Lago.

Harth's husband George Houraney and Trump worked together on beauty pageants.

Harth withdrew the lawsuit after her husband and Trump settled a legal dispute.

Jill Harth (above) said that the first time Trump 'violated' her was on December 12, 1992, at a business dinner at the Plaza Hotel in New York.
